Born & roused in
Chicago

Education: High School
Business College.
Worked for an engineer
for Pen & Pencil Company

Met Leo while going to
Northwestern. Left to
Harvard and was
commished an officer
in the Navy. Returned
to Chicago and were
married. He was stationed
at Navy Pier and later
released.

We returned to Iowa
and in the meantime
while he was stationed
in New Zealand, his
folks bought the Turner

Hall from the Turner
Society Jan 1, [redacted] 1943

Being the only child, he
felt he should help
the folks with the business
which turned out to be
53 1/2 years
